The Art of Mackin' Tariq "King Flex" Nasheed

"A Classic" -New York Times Book Review Before great books such as "The Mystery Method" by Mystery , "The Game" by Neil Strauss, "Double Your Dating" by David DeAngelo and many others, there was the critically acclaimed game manual "The Art Of Mackin" by Tariq "King Flex" Nasheed. First written in 1999 and released in 2000,this updated and revised edition of The Art of Mackin', takes a unique, yet serious look at modern male/ female relationships from a player's point of view. The Art of Mackin' was the first how-to book that taught men how to actually become a true ladie's man , and how to use certain techniques (not deceit) in order to get what they wanted from women. Whether it is sex, money or companionship, this book teaches men what to say, verbatim, in order to reach their intended goal. By using these techniques, I am not implying that you do anything negative. I am just teaching guys to stay on top of their game when dealing with women. The Art of Mackin' is also the first book that tells men what to say, word for word, in order to get sex from women, guaranteed. By using my tried and proven methods of mackin', men are guaranteed to increase their player ratio by at least fifty percent (50%).
