The Success Triangle: Climbing Up From The Bottom John A Andrews

Many people get knocked down and remain in that fetal position; fearing to take another blow from the storms of life. Conversely, the high achievers in life get back up and fight the good fight in pursuit of the prize. In 2000, I'd hit rock bottom after my divorce. Subsequently, many forces tried to keep me down. But I knew that I had value and if I persisted and persevered, that value would surface and bless the lives of many, including those who I may never meet. The Success Triangle(tm) features 3 of my books. By writing these pages my life has turned around from one of divorce and loneliness to being embraced by the world. As a token of gratitude I therefore pass them on to you, hoping that you will discover your own magic and consequently embark upon your life's mission - daring to make a difference.
