Froggy Dearest (Kiss me, my love!) Scott Gordon

One fine day, you come across the frog of your dreams. Soft spoken and ever courteous, you've never met a creature quite so charming. But tread carefully, for this frog has quite a secret to share!

Approximately 40 pages in all. Originally this picture book was intended for children 3 to 6, but as I wrote it, I realized that it's really meant for all children AND their parents. (Read it together. You'll get a big laugh at the end!)

Descriptions of my other popular children's books are included after the main feature (an additional 5 pages).
