FUBAR

Kurt Vonnegut

FUBAR Kurt Vonnegut

The waters of renewal sometimes course through the unlikeliest of settings. In the short story, “*FUBAR*,” we’re taken to a desolate building in a drab industrial complex, where a lonely office worker gains a fresh perspective on life thanks to the intervention of his free-spirited new female assistant.

“*FUBAR*” and the thirteen other never-before-published pieces that comprise **Look at the Birdie** serve as an unexpected gift for devoted readers who thought that Kurt Vonnegut’s unique voice had been stilled forever—and provide a terrific introduction to his short fiction for anyone who has yet to experience his genius.
