See the recently released **Christian Prepper's Handbook - *Second Edition*** with over 100 pages of new information and a new cover design. Significant Life Altering Event (SLAE), The End of the World As We Know It (TEOTWAWKI). A World without Rule or Law (WROL). This is what Christian Preppers prepare for. **Bug-out Vehicle (BOV), Bug-out Bag (BOB), Bug-out Location (BOL), Bug-out Directions (BOD).** This is the language of the Christian Prepper. This handbook will provide individuals, families, churches, or groups access to the unique mindset of those survivalists called Christian Preppers. Christian Preppers prepare for unknown circumstances, such as economic collapse, natural events, manmade catastrophes, and even the end of the world. Christian Preppers come from all walks of life, ranging from blue-collar workers to white-collar executives running multimillion-dollar companies.

Christian Preppers find peace of mind knowing that they have the Bible, food, water, rifles, pistols, ammunition, shelter, heat, energy, and the experience to survive. They have knowledge and relationships that provide skills to construct, engineer, grow, preserve, forge, hunt, provide electricity, teach, and balance the requirements of the survival triangle. Christian Preppers act alone as well as become part of a larger Prepper community.

To help better understand how Christians should prepare, I present The Survival Triangle©, which most Preppers use as a guide. The Survival Triangle© demonstrates the basic foundation of Prepping, and as such I've labeled it the first tenet of Prepping.

As a Christian Prepper, I allow you to look through my eyes and share what I've learned and applied to my life. I provide numerous examples and methods of how you can become and understand Christian Preppers.
