Kimberly Jordan never meant to hurt anyone.

But once a DNA test reveals her longtime boyfriend, Damien, is her half-brother, plus she finds out she's pregnant, she will go to any length to hide her horrible secret.

Unfortunately for Kent Davenport, he's the perfect fall guy for her plan, having recently revealed his love for her. But unfortunately for Kimberly, dirty little secrets always come out.

A Tangled Web is the first book in the *Dangerous Secrets* series—a series of interracial love stories with one other thing in common: one or more of the main characters has a secret so big, it can derail or even destroy their most important relationships, their personal character, or their entire lives.

The secrets are 'dirty.' Scandalous. Taboo.

Secrets anyone would be wise to remain tight-lipped on.

But in these tales, one way or another, that horrible secret gets out.

Let the fallout begin.

This is a complete, standalone novella.
