Three words: virgin, albino, dominatrix. But wait! One more word: necromancer. Yes, Japan has its fetishes, but not often does one find so many of them packed into one storyline, especially one with good writing. Enter Ghost Talker's Daydream.

Suicide never goes on vacation, and our heroine can't seem to get a break, either. Back from a short time away, Misaki gets thrown right back into it, attempting to exorcize a particularly nasty, evil presence from an apartment building, before it kills all the tenants!
