Snowfly

Joseph Heywood

Snowfly Joseph Heywood

One legendary insect--enormous, white, and exceedingly rare--attracts trout of such size that they couldn't possibly exist in the world as we know it. But in Heywood's classic novel, such things can and do exist.

Protagonist Bowie Rhodes, UPI reporter and expert fly fisherman, had learned of the snowfly early in his childhood. It hatches every seven to ten years, never on the same river twice, bringing to rise trout so huge they would have to have lived forty years or more; trout so wily that they never allow themselves to be caught--or even seen; trout so hungry for this fly that they will risk exposure to rise for the hatch. The snowfly is the sacred quest of the most obsessed trout hunters, existing--it seems--only in myth and in a lost manuscript.

Rhodes's reporting brings him to such sites as the jungles of Vietnam, the labyrinth of Brezhnev's Soviet Union, and a poisoned Canadian wasteland of uranium mines. His hunt for the manuscript, meanwhile, takes him deep into his own heart of darkness.

Richly imaginative and sensual, the world of *The Snowfly* has more mystery lurking beneath the surface waters than our own. Or does it?

From reader reviews:

Edwin Courville:

Spent a free time for you to be fun activity to perform! A lot of people spent their free time with their family, or their very own friends. Usually they accomplishing activity like watching television, planning to beach, or picnic inside park. They actually doing same task every week. Do you feel it? Do you want to something different to fill your free time/ holiday? May be reading a book may be option to fill your free time/ holiday. The first thing that you ask may be what kinds of publication that you should read. If you want to try out look for book, may be the e-book untitled Snowfly can be very good book to read. May be it can be best activity to you.

Helen Green:

Playing with family inside a park, coming to see the marine world or hanging out with friends is thing that usually you could have done when you have spare time, in that case why you don't try factor that really opposite from that. 1 activity that make you not sense tired but still relaxing, trilling like on roller coaster you are ride on and with addition of information. Even you love Snowfly, you can enjoy both. It is fine combination right, you still would like to miss it? What kind of hangout type is it? Oh come on its mind hangout folks. What? Still don't get it, oh come on its identified as reading friends.

Mark Montague:

Are you kind of stressful person, only have 10 or 15 minute in your morning to upgrading your mind proficiency or thinking skill also analytical thinking? Then you are experiencing problem with the book than can satisfy your short space of time to read it because all this time you only find guide that need more time to be read. Snowfly can be your answer mainly because it can be read by an individual who have those short time problems.

Michael Fischer:

Many people spending their time period by playing outside with friends, fun activity along with family or just watching TV all day long. You can have new activity to shell out your whole day by reading a book. Ugh, think reading a book can definitely hard because you have to bring the book everywhere? It alright you can have the e-book, getting everywhere you want in your Cell phone. Like Snowfly which is obtaining the e-book version. So , why not try out this book? Let's notice.
