## **Chaste Maid in Cheapside** Professor Thomas Middleton

Thomas Middleton (1580-1627) was an English Jacobean playwright and poet. Middleton stands with John Fletcher and Ben Jonson as among the most successful and prolific of playwrights who wrote their best plays during the Jacobean period. He was one of the few Renaissance dramatists to achieve equal success in comedy and tragedy. Also a prolific writer of masques and pageants, he remains one of the most noteworthy and distinctive of Jacobean dramatists. Middleton wrote in many genres, including tragedy, history and city comedy. His best-known plays are the tragedies *The Changeling* (written with William Rowley) and *Women Beware Women*, and the cynically satirical city comedy *A Chaste Maid in Cheapside*. His plays are characterized by their cynicism about the human race, a cynicism that is often very funny. True heroes are a rarity in Middleton; in his plays, almost every character is selfish, greedy, and self-absorbed.
