Examples & Explanations: Secured Transactions, 5th Edition James Brook

Bringing transparency to the Uniform Commercial Code Article 9, one of the most difficult and technical components of commercial law, **James Brook** uses straightforward introductions and the proven-effective *Examples & Explanations* pedagogy to provide a clear and complete overview of Secured Transactions.

- **proven-effective *Examples & Explanations* pedagogy**, combining straightforward introductions with well-written examples and explanations that apply concepts, reinforce learning, and test understanding of material covered
- **clear and approachable explanatory text** that is informal, yet informative
- **a solid introduction to the basic law in the field** covering the rules and policies of the law governing secured transactions as well as the broader issues of legal process
- **usable with both the original and revised versions of Article 9** providing parallel citations to both
- **a logical organization** that follows the general sequence of topics as they are taught in Secured Transaction courses
- **helpful diagrams and visual aids** that illustrate and simplify the intricate provisions of Article 9

Updated throughout and with many new examples, the Fourth Edition features:

- **important new cases and developments in secured transactions**, including recent cases addressing the question of the correct name to use in filing a UCC1 financing statement
- **new and updated examples**

Edition after edition, **James Brook** has been the trusted authority your students can rely on to present a clear and current picture of the entire Secured Transactions landscape.
