Prayers to Move Your Mountains is a new intercessory prayer handbook for Charismatic and Pentecostal Christians. Like classic books of prayer that have helped believers in their prayer lives over the years, this book emphasizes not only prayers for self, but others, too. Each prayer is woven together with scripture verses and with notes referring to specific biblical texts. Types of prayers include prayers that worship and glorify the Lord, praying to enter God's presence, praying for revival, praying for others, praying for forgiveness and power over sin, praying for personal needs, and praying for the coming of the Kingdom of God.
