Radio Golf

August Wilson

Radio Golf August Wilson

“The concluding work in one of the most ambitious dramatic projects ever undertaken . . . a play that could well be Mr. Wilson’s most provocative.”—Ben Brantley, *The New York Times*

“*Radio Golf* is a rich, carefully wrought human tapestry that is colorful, playful, thoughtful and compelling.”—Ed Kaufman, *The Hollywood Reporter*

Radio Golf is August Wilson’s final play. Set in 1990 Pittsburgh, it is the conclusion of his Century Cycle—Wilson’s ten-play chronicle of the African American experience throughout the twentieth century—and is the last play he completed before his death. With *Radio Golf* Wilson’s lifework comes full circle as Aunt Ester’s onetime home at 1839 Wylie Avenue (the setting of the cycle’s first play) is slated for demolition to make way for a slick new real estate venture aimed to boost both the depressed Hill District and Harmond Wilks’ chance of becoming the city’s first black mayor. A play in which history, memory, and legacy challenge notions of progress and country club ideals, *Radio Golf* has been produced throughout the country and will come to Broadway this season.

August Wilson’s plays include *Gem of the Ocean*, *Joe Turner’s Come and Gone*, *Ma Rainey’s Black Bottom*, *The Piano Lesson*, *Seven Guitars*, *Fences*, *Two Trains Running*, *Jitney*, *King Hedley II*, and *Radio Golf*. They have been produced at theaters across the country, on Broadway, and throughout the world.
