Michael Madden:

As a pupil exactly feel bored to reading. If their teacher requested them to go to the library or even make summary for some book, they are complained. Just small students that has reading's spirit or real their interest. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that reading through is not important, boring and also can't see colorful images on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on
