Victoria Forester

**The Girl Who Could Fly** Victoria Forester

You just can't keep a good girl down . . . unless you use the proper methods.

Piper McCloud can fly. Just like that. Easy as pie.

Sure, she hasn't mastered reverse propulsion and her turns are kind of sloppy, but she's real good at loop-the-loops.

Problem is, the good folk of Lowland County are afraid of Piper. And her ma's at her wit's end. So it seems only fitting that she leave her parents' farm to attend a top-secret, maximum-security school for kids with exceptional abilities.

School is great at first with a bunch of new friends whose skills range from super-strength to super-genius. (Plus all the homemade apple pie she can eat!) But Piper is special, even among the special. And there are consequences.

Consequences too dire to talk about. Too crazy to consider. And too dangerous to ignore.

At turns exhilarating and terrifying, Victoria Forester's debut novel has been praised by Stephenie Meyer, author of the Twilight saga, as "the oddest/sweetest mix of *Little House on the Prairie* and *X-Men*...Prepare to have your heart warmed." *The Girl Who Could Fly* is an unforgettable story of defiance and courage about an irrepressible heroine who can, who will, who must . . . fly.

Praise for Victoria Forester and *The Girl Who Could Fly*:

"It's the oddest/sweetest mix of *Little House on the Prairie* and *X-Men*. I was smiling the whole time (except for the part where I cried). I gave it to my mom, and I'm reading it to my kids?it's absolutely multigenerational. Prepare to have your heart warmed." Stephenie Meyer, author of the Twilight saga

"In this terrific debut novel, readers meet Piper McCloud, the late-in-life daughter of farmers...The story soars, just like Piper, with enough loop-de-loops to keep kids uncertain about what will come next....Best of all are the book's strong, lightly wrapped messages about friendship and authenticity and the difference between doing well and doing good."--*Booklist*, Starred Review

"Forester's disparate settings (down-home farm and futuristic ice-bunker institute) are unified by the rock-solid point of view and unpretentious diction... any child who has felt different will take strength from Piper's fight to be herself against the tide of family, church, and society."--*The Horn Book Review*

*The Girl Who Could Fly* is a 2009 Bank Street - Best Children's Book of the Year.

### From reader reviews:

#### **Daniel Kirk:**

The book *The Girl Who Could Fly* make you feel enjoy for your spare time. You should use to make your capable a lot more increase. Book can for being your best friend when you getting strain or having big problem using your subject. If you can make examining a book *The Girl Who Could Fly* to be your habit, you can get considerably more advantages, like add your capable, increase your knowledge about a few or all subjects. You are able to know everything if you like start and read a reserve *The Girl Who Could Fly*. Kinds of book are a lot of. It means that, science guide or encyclopedia or other individuals. So , how do you think about this publication?

#### **Robin Curtin:**

Playing with family in a very park, coming to see the sea world or hanging out with friends is thing that usually you will have done when you have spare time, in that case why you don't try factor that really opposite from that. One activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love *The Girl Who Could Fly*, you could enjoy both. It is good combination right, you still need to miss it? What kind of hangout type is it? Oh can occur its mind hangout fellas. What? Still don't get it, oh come on its known as reading friends.

#### **Sharon Garon:**

Do you have something that that suits you such as book? The reserve lovers usually prefer to choose book like comic, quick story and the biggest one is novel. Now, why not striving *The Girl Who Could Fly* that give your enjoyment preference will be satisfied simply by reading this book. Reading habit all over the world can be said as the opportunity for people to know world much better then how they react in the direction of the world. It can't be stated constantly that reading habit only for the geeky man but for all of you who wants to become success person. So , for all of you who want to start studying as your good habit, you could pick *The Girl Who Could Fly* become your current starter.

#### **John Coffin:**

This *The Girl Who Could Fly* is great book for you because the content that is certainly full of information for you who also always deal with world and still have to make decision every minute. That book reveal it facts accurately using great coordinate word or we can say no rambling sentences inside it. So if you are read the item hurriedly you can have whole info in it. Doesn't mean it only provides straight forward sentences but tricky core information with attractive delivering sentences. Having *The Girl Who Could Fly* in your hand like finding the world in your arm, information in it is not ridiculous one particular. We can say that no reserve that offer you world with ten or fifteen moment right but this book already do that. So , this really is good reading book. Hey Mr. and Mrs. hectic do you still doubt this?
