WESTERN CIVILIZATION, 9th Edition covers the Western intellectual tradition and the significance of its ideas within a political history chronology. Known for its accessible writing style, this text appeals to students and instructors alike for its brevity, clarity, and careful selection of content including its enhanced focus on religion and philosophy. Updated with more recent scholarship, the Ninth Edition retains many popular features, including comparative timelines and full-color maps with physical geography essays. New technology resources, including an interactive eBook, make learning more engaging and instruction more efficient.
