**A Lady at the Table: A Concise, Contemporary Guide to Table Manners (Gentlemanners Book)** Sheryl Shade, John Bridges, Bryan Curtis

*A Lady at the Table* will give any woman the knowledge she needs to maneuver any dining situation - from a casual meal of fried chicken at her moms house to a seven-course dinner at the finest restaurant in the world. It includes. . .

- How to set a table
- How to pronounce more than 100 different food names
- How to use obscure eating utensils
- How to perform the Heimlich maneuver
- How to eat more than 25 foods that are challenging to eat gracefully such as lobster, snails, fried chicken, and pasta.

In a society where more and more people eat with plastic forks and spoons at fast food restaurants, it is still important that a lady know proper dining etiquette. Showing she has little working knowledge of table manners at a lunch meeting or on a job interview over dinner may have an important impact on a womans life.

Like all the books in the GentleManners series, *A Lady at the Table* is easy to use, non-threatening, and an entertaining read. In addition to containing similar information as *A Gentleman at the Table*, *A Lady at the Table* deals with topics that apply uniquely to women such as how to respond when men rise as you leave or approach the table, how to react when a chair is pulled out for you and when it isnt, what to do when a man orders for you, and how to pay the check graciously when you are hosting a man.
