Clinical Chemistry: Multiple Choice Questions

William J. Marshall

Clinical Chemistry: Multiple Choice Questions William J. Marshall

Based on the second edition of "Illustrated Textbook of Clinical Chemistry", this book provides a comprehensive selection of around 400 multiple choice questions which aim to test specific knowledge and the ability to integrate topics. The format of the questions matches that encountered in examinations. The questions relate predominantly to the specific topics covered in that book, but also include some which will test overall knowledge based upon case histories and clinical data.
