BOOK #1: Dog Training: 55 of the Best Tips on How to Train a Dog

Dog Training gives the reader a light hearted yet effective approach to dog training. Dog Training is a combination of traditional training methods as well as some unorthodox methods to training “man’s best friend.” The fascination, the love, and the adoration between dog and owner is exceedingly unique and the truth is that dogs touch our hearts in a way that nothing else does.

So why use training methods that don’t work or are cruel?

Dog Training is a collection of 55 tips on how to effectively and humanely train dogs - even the supposedly “untrainable” dogs that seem to be alarmingly defiant. You’re going to learn how to manage unruly dogs, calm dogs, and hyperactive dogs in a way that everyone in the family will appreciate - particularly the dog.

Dog Training will teach about:

- Breeds
- Healthy food tips
- Training for trust
- Socialization
- Leash training
- Love and affection

BOOK #2: Puppy Training Guide: Tips and Tricks to Train your Puppy in Obedience and Manners, Environmental Habituation, Hygiene, Walking on Leash.

ave you ever thought about what it takes to be an effective puppy trainer? Have you been doing everything

you can but still your pup does not respond to your training? Has it occurred to you that maybe you are not doing things right or you can still improve your training to be better?

If you have been bombarding yourself with questions like why your puppy does not come when you ask him to, why your puppy still soils inside home, why the things in your house get randomly scratched by your pup, why your little dog has stopped responding to your commands and many other things, this book will tell you secrets of properly training your puppy so he does whatever you want him to

This book is an attempt to provide a general direction of how to deal with puppies, why we should understand them first, and how we should set our training so that it bears fruit

Through this book, you will learn few things that relate to puppy training such as:

- Dealing with your dog's biting and chewing issues
- Teaching your pup to do commands like sitting, staying, coming, and lying down
- Preparing your puppy especially to walk with a leash on
- Training puppies to socialize and habituate their environment
- And many other things

BOOK #3: Dog Training Mistakes: 25 Destructive Dog Training Mistakes That Are Fatal For the Behavior of Your Dog

Explore the rights of your dog by hitting on this book. This book is a true guide about how to train your dog without destructing its behavior. It's probable to see the trainers try to educate the dog by emphasizing on the tactics like negative reinforcement and punishment. They forget about what to do & what no to do. This enchanting book is particularly emphasizing on an idea that "no learning can happen by force – rather forceful learning can lead to fetal behavior".

This incredibly conceptual book is covering the notions embracing:

- Dog's training & some unconscious mistakes– An over view
- Most common dog training mistakes and helping hints
- 25 Destructive dog training mistakes that are fatal for the behavior of your dog
- Train your dog to chew and bite play ably
- Train your dog in a friendly way
