Education in Small States: Global Imperatives, Regional Initiatives and Local Dilemmas

Education in Small States: Global Imperatives, Regional Initiatives and Local Dilemmas

This book focuses on education in small states. It examines the strengths and weaknesses of different aspects of educational provision in political jurisdictions having a very small population – populations which encounter specific challenges, threats and opportunities. This book presents a balance in regional representation – covering the South Pacific, the Caribbean, Africa, Europe and the Mediterranean. The contributions pay particular attention to basic education, higher education, entrepreneurship training, post-primary education and the impact of globalization on educational restructuring and aid delivery in specific small state regions.

This book was published as a special issue of the *Comparative Education*.
