Pride and Prejudice and Zombies: Now with Ultraviolet Zombie Mayhem!

Seth Grahame-Smith, Jane Austen

Pride and Prejudice and Zombies: Now with Ultraviolet Zombie Mayhem! Seth Grahame-Smith, Jane Austen

"It is a truth universally acknowledged that a zombie in possession of brains must be in want of more brains." So begins *Pride and Prejudice and Zombies*, an expanded edition of the beloved Jane Austen novel featuring all-new scenes of bone-crunching zombie mayhem.

As our story opens, a mysterious plague has fallen upon the quiet English village of Meryton - and the dead are returning to life! Feisty heroine Elizabeth Bennet is determined to wipe out the zombie menace, but she's soon distracted by the arrival of the haughty and arrogant Mr. Darcy. What ensues is a delightful comedy of manners with plenty of civilized sparring between the two young lovers - and even more violent sparring on the blood-soaked battlefield as Elizabeth wages war against hordes of flesh-eating undead. Can she vanquish the spawn of Satan? And overcome the social prejudices of the class-conscious landed gentry?

Complete with romance, heartbreak, swordfights, cannibalism, and thousands of rotting corpses, *Pride and Prejudice and Zombies* transforms a masterpiece of world literature into something you'd actually want to read.

This Heirloom Edition of *Pride and Prejudice and Zombies* includes a new preface by the author, an afterword by Dr. Allen Grove, professor of English literature at Alfred University, and new scenes of gratuitous zombie mayhem.
