Crazy Busy Julian Boote

"The Apocalypse has begun... and there's no clocking off."

Jim's holiday has ended oddly. People are acting weird, and his girlfriend, Ruthie, has made the strange decision she prefers a weekend working in her office over his company. But if that's odd, Jim's first day back at his job reveals just how weird the world has become in his absence. All his colleagues are fixated on getting their work done... and pronto. Jim is also pressed to use a new computer app.; Benny The Bee – the latest in neuro-linguistic programming, guaranteed to boost anyone's productivity.

But Benny is addictive – dangerously so. Once stung, you can't stop working. You don't want to stop. Ever. And Jim realises that Ruthie has been stung.

The word "deadline" quickly takes on a new and frightening meaning as those exposed to the app. become increasingly unhinged and violent. Can Jim avoid being stung by Benny The Bee? Can he figure out a way to rescue Ruthie from Benny's addictive influence? And will Jim's colleagues even let him out the office alive?

It look's like Jim's first day back at work is going to be his last.

Crazy Busy is a disturbing urban nightmare (9,000 words) about the modern work ethic which asks, "Just what might happen if work really ruled all our lives?"

From reader reviews:

Teresa Ealy:

Now a day people that Living in the era just where everything reachable by connect to the internet and the resources in it can be true or not involve people to be aware of each information they get. How many people to be smart in receiving any information nowadays? Of course the answer then is reading a book. Looking at a book can help men and women out of this uncertainty Information mainly this Crazy Busy book since this book offers you rich facts and knowledge. Of course the details in this book hundred per cent guarantees there is no doubt in it you know.

Christy Dennie:

This Crazy Busy are usually reliable for you who want to be considered a successful person, why. The reason of this Crazy Busy can be on the list of great books you must have is definitely giving you more than just simple reading food but feed you with information that might be will shock your before knowledge. This book is handy, you can bring it almost everywhere and whenever your conditions in e-book and printed versions. Beside that this Crazy Busy giving you an enormous of experience for example rich vocabulary, giving you demo of critical thinking that we understand it useful in your day action. So , let's have it appreciate reading.

Harold Hutchison:

A lot of people always spent their very own free time to vacation as well as go to the outside with them loved ones or their friend. Are you aware? Many a lot of people spent they free time just watching TV, or even playing video games all day long. If you wish to try to find a new activity this is look different you can read some sort of book. It is really fun for yourself. If you enjoy the book that you just read you can spent all day long to reading a e-book. The book Crazy Busy it is rather good to read. There are a lot of people that recommended this book. We were holding enjoying reading this book. If you did not have enough space to create this book you can buy the e-book. You can m0ore simply to read this book from your smart phone. The price is not too costly but this book provides high quality.

Lola Hernandez:

Playing with family within a park, coming to see the sea world or hanging out with buddies is thing that usually you will have done when you have spare time, after that why you don't try issue that really opposite from that. Just one activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love Crazy Busy, you may enjoy both. It is fine combination right, you still wish to miss it? What kind of hangout type is it? Oh can occur its mind hangout people. What? Still don't buy it, oh come on its identified as reading friends.
