Allan E. Barsky

**Ethics and Values in Social Work: An Integrated Approach for a Comprehensive Curriculum** Allan E. Barsky

In a unique and student-friendly package, *Ethics and Values in Social Work* offers a series of learning modules that will ensure graduates receive a comprehensive ethics and values education. Designed to be easily incorporated into any curriculum, each module helps students integrate the knowledge, skills, self-awareness, and critical thinking abilities required for dealing with ethical issues. From applying basic ethical standards of practice to managing complex ethical dilemmas, this textbook equips readers with a range of tools and strategies for responding to ethical questions and concerns.

Traditional ethics textbooks provide students with a model for ethical decision making. This breakthrough textbook goes beyond ethical decision making by providing students with a strategic framework for managing ethical issues that includes guidelines for engaging others in ethical discussions and using conflict resolution theory to promote collaborative solutions. Some textbooks introduce students to ethical theories, such as deontology, teleology, and virtue ethics. This textbook goes beyond describing these theories by providing students with opportunities to apply, compare, and contrast these approaches as they relate to various contexts of social work practice. A wealth of case scenarios, discussion questions, and role-play exercises make this an engaging, thought-provoking teaching and learning tool.

At a basic level, this textbook teaches students the essential principles and standards that define ethical practice. At a more profound level, *Ethics and Values in Social Work* inspires students to reach for the highest values of profession: service, dignity and worth of the person, human relationships, integrity, competence, social justice, human rights, and scientific inquiry.

#### **William McClanahan:**

As we know that book is very important thing to add our knowledge for everything. By a book we can know everything we really wish for. A book is a pair of written, printed, illustrated or maybe blank sheet. Every year seemed to be exactly added. This publication Ethics and Values in Social Work: An Integrated Approach for a Comprehensive Curriculum was filled about science. Spend your spare time to add your knowledge about your science competence. Some people has several feel when they reading a new book. If you know how big benefit from a book, you can feel enjoy to read a e-book. In the modern era like at this point, many ways to get book you wanted.

#### **Sunny Lopez:**

As a pupil exactly feel bored to help reading. If their teacher inquired them to go to the library or to make summary for some reserve, they are complained. Just tiny students that has reading's internal or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that examining is not important, boring as well as can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Ethics and Values in Social Work: An Integrated Approach for a Comprehensive Curriculum can make you feel more interested to read.
