**The stunning sequel to *The Kiss That Missed* is a wonderful story infused with love and humor about a new sibling, the problem of a crying baby, and just what to do about it**

The lovable and haphazard knight is back on another quest to find the finest feathers in the kingdom to fill the royal pillow and stop the little princess making that terrible noise. No one else in the family can sleep, since the royal cat squashed her pillow—will new feathers do the trick? The knight's second adventure is a warming bedtime tale about coping with a new baby in the family, and the importance of the elder sibling's role.
