Introduction to Information Technology

ITL Education Solutions Limited

Introduction to Information Technology ITL Education Solutions Limited

Introduction to Information Technology incorporates the major changes that have taken place in the field of information technology, including not only the latest trends but also future technologies. The coverage of practical and historic perspectives on information technology demonstrates how concepts are applied to real systems and shows their evolution since its beginnings. Written in a clear, concise and lucid manner, each chapter is designed to be covered in two or three lectures while keeping inter-chapter dependencies to a minimum.
