## Peripheral Visions: Learning along the Way Mary C. Bateson

Mary Catherine Bateson, author of *Composing a Life*, is our guide on a fascinating intellectual exploration of lifetime learning from experience and encountering the unfamiliar. *Peripheral Visions* begins with a sacrifice in a Persian garden, moving on to a Philippine village and then to the Sinai desert, and concludes with a description of a tour bus full of Tibetan monks. Bateson's reflections bring these narratives home, proposing surprising new vision of our own diverse and changing society and offering us the courage to participate even as we are still learning.
