Psychology Applied to Teaching Jack Snowman, Rick McCown

This title has received wide acclaim for its practical and reader-friendly approach to educational psychology, which demonstrates how complex psychological theories apply to the everyday experiences of in-service teachers. Coverage of educational psychology is framed so that aspiring or developing teachers can see themselves as professionals who continuously seek, find, and test better ways to help their students succeed. PSYCHOLOGY APPLIED TO TEACHING, 13th Edition, combines fresh concepts and contemporary research with long-standing theory and applications to create a book that addresses the needs of today's teachers and students.
